SPONSORS & PARTNERS

Established in 1979 as a non-denominational organization with just 85 players, the Parade St Damians Junior Football Club (PSDJFC) has grown into a cornerstone of the Bundoora sporting community.

The club's philosophy centers on providing a supportive family environment where boys and girls aged 7 to 17 can develop athletic skills, learn sportsmanship, and enjoy organized sport regardless of their ability level. This commitment to "maximising sporting and personal potential" is balanced by a strong Code of Conduct that prioritizes respect, safety, and the belief that enjoyment is more important than winning.

Over its 45-year history, the "Saints" have celebrated more than 35 Premierships and produced a remarkable list of elite talent, including AFL stars Leigh Montagna (St Kilda), Brad Boyd (Fitzroy captain), Jarrod Molloy (Collingwood/Brisbane), and AFLW player Louise Stephenson (Western Bulldogs).

The Heat Netball Club is a vibrant, standalone community club based in Melbourne's northern suburbs. Founded in 2014 by a group of passionate netball enthusiasts, the club officially began competing in the Northern Football Netball League (NFNL) in 2015. Its philosophy is built on creating a welcoming and inclusive environment where players of all skill levels—from 9 & Under juniors to elite senior squads—can feel at home.

This culture of "heart and soul" is further strengthened by a strategic partnership with the Old Paradians Football Club, aimed at fostering unity and shared community values across codes. Whether you are a beginner looking to learn the game or an experienced athlete aiming for the Premier Division, the Heat offers a supportive space to develop skills and forge lasting friendships.

SPONSORS & PARTNERS

With over two decades of experience in the industry, Statewide Metals has the knowledge and expertise to handle any job, big or small. As a family-run business, they understand the value of relationships, reliability, and the importance of providing exceptional service to our community.

Offering a comprehensive range of services designed to make your scrap metal recycling process as smooth as possible, they service from the heart of Melbourne to the surrounding regional areas. No matter the terrain or location, we can service your needs without requiring you to use your own equipment, saving you valuable time and effort.

In addition to our pickup services, they also specialise in factory clean-outs and the removal of large machinery. The team is equipped to handle the toughest jobs, ensuring that your space is cleared efficiently and safely. They understand that every minute counts in a busy work environment, which is why we strive to complete our services quickly without compromising on quality.

Accurate Financial Mortgage Brokers was founded by Chris Bibby in 2000.
